On December 29th SPIBA Quality of life Committee held an event in the framework of the “SPIBA Cultural Discoveries” series of meetings. This time SPIBA members visited the “Golden age. Modernism in Finnish architecture and design” exhibition. Marina Chekmareva, the contemporary art department worker of the State Hermitage conducted the tour through the exhibition for the guests of the meeting. The exhibition made a long-lasting impression on the guests of the museum. Participants of the tour were able to feel the atmosphere and the spirit of Finland while becoming acquainted with the exhibits: the photographs, architecture project outlines, fabrics, glass and furniture of the Finnish architects and designers of the 20th century.
