

July 2015 SPIBA events

On July 9th SPIBA held a **Look@Hyundai** tour continuing the series of Look@It tours. The participants were able to get acquainted with the history of the Hyundai Company development in Russia as well as its strategy on the market. Hyundai Motor Manufacturing Rus is the sixth Hyundai Motor Company international plant and the first production facility in St. Petersburg. All the guests participated in a guided production tour to get more familiar with the technological process that includes pressing of the panels, welding, body painting, and assembly of a finishes vehicle.

On July 29th SPIBA HR Committee conducted a **round table on the topic of the labor market trends**. Svetlana Savelieva (Kelly Services) talked about the results of the labor market global research and shared with the guests the best practices from Kelly. Natalia Shchegoleva (ANCOR Professional) talked about the ways of raising the employer's attractiveness on the labor market based on the Randstad research. Ekaterina Myshinskaya (Ahlers Rus) raised the topic of HR focus in effective long-term cost management, giving examples from the Ahlers Rus experience.

At the end of the event the elections of SPIBA HR Committee co-chairperson took place. **Timur Komarov (Unilever Rus)** became an elected candidate! We congratulate Timur and wish him successful and productive work within our Association!
