

## SPIBA events September 2015

**On September 16<sup>th</sup>** SPIBA conducted Look@Jacobs tour. During the event the round table on the topic "Approaches to the improvement of production efficiency" took place. Speakers of the round table were Anastasia Vasazhenko (Lean Manager, Jacobs), Tatyana Pyatibratova (Business-process improvement Project Leader, Philip Morris Izhora), Lodewijk De Meulemeester (Contract logistics Director, Ahlers Rus). All the guests became a part of a plant tour organized by the company. During the excursion guests found out all the details of coffee production on the Jacobs plant.

**On September 18<sup>th</sup>** in the framework of the 20 years Anniversary celebration SPIBA organized a press-breakfast where the speakers were able to discuss activities of the business-associations in Russia in the conditions of a non-stable economic situation. Co-chairpersons of the SPIBA Executive Committee and press representatives took part in the festive event. Breakfast continued with a midday shot from the Peter and Paul Fortress. During the excursion to the Peter and Paul Cathedral the participants could enjoy the carillon concert by Jo Haazen, the Belgian master musician and the Director of the Royal Carillon School in Mechelen.
