March Highlights 2020

On March 5th, SPIBA Quality Committee held a round table of the SPIBA on “The practice of tourism in St. Petersburg”.

The alarming epidemiological situation in the world causes concern of the business community and many on the upcoming tourist season, gathered a large interested audience. The moderator Larisa Konashenok, PR consultant, Lev Lurie’s Culture & History Club, promised that the guest speakers will talk about the plans and hopes of the city and “shed light” on the current situation.

Anna Zolotova, Head of the Department of Regional and International Projects of the Committee for Tourism Development of St. Petersburg, spoke about a project that is especially relevant for the international community - the introduction of electronic visas.

Evgeny Ilyin, Deputy General Director for Commercial Activities, Northern Capital Gateway, shared information on open skies and seventh degrees of freedom.

And Fedor Pogorelov, a journalist and sports commentator, spoke about what awaits the city and its residents in the near future in the field of event tourism.

On March 13th, The Logistics group of the SPIBA Industrial Committee held an event on the topic “Cybersecurity in the supply chain”. Olga Nekrasova, Customer Success Director, Ahlers Russia, moderated the meeting. Igor Bederov, CEO of Internet Search, made a presentation “Digital footprint. How to investigate the crimes of the future?” Igor talked about how to prevent and protect the business from fraudulent acts committed with the help of information and telecommunication technologies.

Ivan Birulya, Head of Security, REDMOND, shared information security features in logistics companies. Ivan during his speech gave advice and recommendations on how to organize security at the enterprise and reduce risks for business.
