CHARITY REGATTA

YACHT RACING WITH A DEEP MEANING

Saint Petersburg

20 June 2021

What is a charity regatta?

It’s a joint project of St Petersburg yachtsmen and Svet charity fund.

It’s a competition where participation is more important than winning for all teams. That’s because 100% of the funds raised go to the medical treatment of children with cancer.

It’s an opportunity to put to sea with your colleagues, friends, near and dear ones and to feel the essence of a real team spirit.

It’s a chance to try being a seaman and a part of the most romantic and brave St Petersburg yachtsmen community.

About the Fund

The Svet (Light) charity fund was created in 2008 by the initiative of several natives of St Petersburg.

The key objective is to provide a wide range of help to children with oncological diagnoses during all stages of medical treatment. Svet fund helps children on the whole territory of Russia as well as children from other countries who have a need to go through treatment in Russian clinics.

We cover costs connected to the treatment that are not covered by the state funding, we also promote development of the children oncological medical institutions.

What you can do:

- Participate in the Regatta: put a team together among your friends and colleagues, submit the start-payment and prepare for the competition;
- Be a supporter: support any of the participating teams on the Svet Fund website;
- Be a spectator: buy a ticket to the ship accompanying the Race on the Gulf and take part in festive activities for children and grown-ups.

Any participation is helping a child in the fight for his life.

The total money collected go to Svet Fund to support children fighting cancer.

In 2020 it was Rub 1 850 500 collected during the Regatta.
This money helped 338 children supported by Svet Fund.

Each of these yachts fight the elements. They go through the waves towards life and better health.

The value of this sport is more precious than all medals and cups taken together.
Its champions are not only faster, better and stronger.
They have more courage, more kindness and are more merciful…
